

#### Waterfall Walking Track:

1 Hour Return

Travel up Inglis Street and follow the contour of the hill until you reach the signpost. Climb up through a gully of native bush until reaching a picturesque waterfall and pool. The track is maintained by local community groups.

Motuweka Pathway: 45 Minutes Return

Motuweka pathway provides walking access to the end of the South Mole, the entrance to Havelock Marina. An ongoing revegetation project has enhanced the Path. Interpretation panels assist in the identification of the varied bird life that makes its home in the Kaituna Estuary. A loop walk back to town can be achieved by returning via the Havelock Cemetery.

#### **Cullen Point:**

**35 Minutes to 1 Hour depending on fitness level.** Starts 4.5 km from Havelock Township. Cullen Point loop track provides varied terrain around the Cullen Point headland and passes through native bush on the western side of the point and open grass and brush land to the east.

#### Cullen Point Tria: 20 Minutes

A great track for those short of time. A walk up to the top of the headland is rewarded with views down the Pelorus Sound and up the Pelorus Valley.

#### **Link Pathway:**

Sections of the Link Pathway that are open to the public. The 7-km section from the Havelock Causeway to Belvue Bay, and 1.5 k's from there to Oruapuputa, a 3-k gap to the bottom of the Linkwater Straight, then 1 k of pathway to the Linkwater Store. Another gap of 1.5 k's to the Linkwater School, then 24 k's of completed pathway all the way to Picton, including into Anakiwa.
